

LED Work Lights Introduction

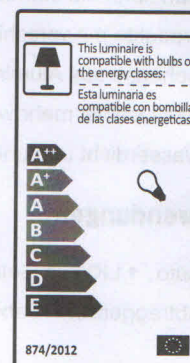

Specifications	LED Working Light									
	NFW12W	YW48W	CW96W	D4NCW18W	ZW75W	YW72W	CW120W	NFW48W	NFW27W	NYW27
Input Voltage	10-30V DC									
Light Color	Cool White (6000-6500K)									
Size (mm)	66*80*30	130*119*50	201*125*65	160*45*36	124*140*58	150*140*50	235*120*60	107*125*51	109x126x40	112x126x40
Weight	0.14kg	0.663kg	1.24kg	0.17kg	0.77kg	0.8Kg	1.25kg	0.58kg	0.4kg	0.33kg
Waterproof Degree	IP67									
Operating Temperature	-40°C-120°C									
Working life	30000 hours									

Description:

- ◆ wide-range voltages
- ◆ widely used on different trucks, SUVs, cars, boats, and other means of transport.
- ◆ the bracket being easy to install
- ◆ different brightness and product sizes to choose from.
- ◆ aluminum casing, better shockproof and waterproof performance
- ◆ light perception: softer light to prevent glare.
- ◆ waterproof and anti-corrosion.

Application:

- ◆ Car lights, ◆ Cards lights, ◆ Off-road lights, ◆ Headlight machinery, ◆ Agricultural machinery,
- ◆ Construction lights, ◆ Headlights excavators, ◆ Forklifts lights, ◆ Snow lights,
- ◆ Light armored vehicles and other automotive lighting.
